sales at a excessive price. In case your book solves an issue or solutions questions in a new and unique manner, you should worth your ebook as excessive as you can go. If you want to see large profits over buyer draw, goal for an audience that is looking for simple options to their problems at a low price. In case your book is aimed toward solving one particular problem rather than basic advice, then you possibly can cost more. Begin at the highest value the market will bear to herald the largest earnings, and plan to discount the e-book a number of occasions throughout the year.
