Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with different prices on every page. Ensure that your gross sales copy is precisely the similar on each

web page, and consists of your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum value is.

In the end, in the event you've written a guide that solves a downside or presents a new technique, your e book will bring in both visitors and profits. So be sure you write that selling-deal with sentence that sums up what drawback your book solves and what the advantages of your 110 ebook will be to the purchasers who purchase it.
