The important thing that unlocks the sales potential of your ebook is to find a single sentence that becomes your selling handle. and promotional materials, and every time anyone asks you about your ebook.

An effective method for determining a value is to send out a survey to your present customers. If these clients have already bought an e book from you, ask for their opinion in terms of price. Do this by making a gross sales page for the brand new ebook, but don't embrace a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Ensure that your sales copy is precisely the same on each web page, and includes your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum price is.

In the end, in case you've written a guide that solves a downside or presents a new approach, your e book will bring in both traffic and profits.
