Advertising Strategies

The key that unlocks the gross sales potential of your book is to find a single sentence that turns into your selling handle. This sentence states what question or downside your book solutions and the advantages your e book can provide. Then make sure to use that sentence in each piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

In addition to selling your books assiduously on-line, there are several other methods that can enable you sell more books.

An efficient method for determining a value is to send out a survey to your current customers. If these customers have already bought an ebook from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the new e book, but do not embody a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by making a number of duplicate sales pages with completely different costs on each page. Ensure your sales copy is precisely the same on each web page, and

consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum price is.

Finally, in the event you've written a e-book that solves a problem or presents a new method, your book will bring in both traffic and profits. So remember to write that selling-handle sentence that sums up what drawback your book solves and what the advantages of your 1198 guide will probably be to the customers who buy it.
