An effective method for determining a value is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do that by making a gross sales web page for the new ebook, however do not include a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with different prices on each page. Make sure that your sales copy is exactly the similar on each web

page, and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your site and sales of your book. This can let you know what your optimum value is.

Ultimately, if you've written a guide that solves a downside or presents a new technique, your e book will herald both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what downside your ebook solves and what the benefits of your 1307 ebook shall be to the customers who buy it.
