Another strategy is to test out costs by making a variety of duplicate sales pages with different costs on every page. Be sure your gross sales copy is exactly the same on every web page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum value is.

Finally, in case you've written a e-book that solves a downside or presents a new technique, your e book will herald both visitors and profits. So you'll want to write that promoting-deal with

sentence that sums up what downside your guide solves and what the benefits of your 133 book might be to the purchasers who purchase it. After which watch your market come to you!
