Do that by creating a sales web page for the brand new ebook, but don't include a price on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with totally different costs on every page. Be sure that your gross sales copy is strictly the identical on each web page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum price is.
