that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with totally different costs on each page. Ensure your sales copy is precisely the same on each page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum price is.

Finally, for those who've written a ebook that solves a problem or presents a new technique, your e book will bring in both visitors and profits. So make sure you write that promoting-handle sentence that sums up what downside your e book solves and what the advantages of your 1514 ebook will be to the customers who buy it.
