Another technique is to check out costs by making a variety of duplicate sales pages with completely different costs on each page. Make sure that your sales copy is exactly the identical on every page,

and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum price is.

Finally, in case you've written a e book that solves a problem or presents a new approach, your e-book will bring in both visitors and profits.
