price. Do that by creating a sales web page for the new e-book, but don't embrace a worth on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Make sure that your sales copy is exactly the identical on each web page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum worth is.
