Another strategy is to check out prices by making a variety of duplicate gross sales pages with completely different costs on every page. Make sure your gross sales copy is strictly the same on

every web page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum value is.

Finally, when you've written a guide that solves a drawback or presents a new technique, your e book will bring in both visitors and profits. So be sure to write that selling-deal with sentence that sums up what downside your ebook solves and what the advantages of your 1722 book can be to the purchasers who purchase it.
