that by creating a gross sales web page for the brand new ebook, but do not embrace a value on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is strictly the similar on every web page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum value is.
