Do this by creating a sales page for the brand new ebook, however do not embrace a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with different prices on every page. Be sure that your gross sales copy is exactly the same on each page,

and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum value is.

In the end, if you've written a book that solves a downside or presents a brand new technique, your e book will herald both traffic and profits.
