If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the brand new e-book, however don't include a value on that page. Another strategy is to test out costs by creating a variety of duplicate gross sales pages with different costs on each page. Be certain your sales copy is exactly the similar on every web page,

and includes your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum worth is.
