this by making a gross sales web page for the new e book, however don't embody a worth on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with completely different prices on every page. Be sure your sales copy is precisely the identical on each web page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This may let you know what your optimum value is.

In the end, if you happen to've written a book that solves a problem or presents a new approach, your ebook will herald both visitors and profits.
