The key that unlocks the sales potential of your ebook is to find a single sentence that becomes your promoting handle. This sentence states what question or problem your guide answers and the benefits your e book can provide. Then remember to use that sentence in every piece of gross sales

and promotional material, and each time anyone asks you about your ebook.

An effective approach for figuring out a worth is to send out a survey to your current customers. If these customers have already bought an ebook from you, ask for their opinion by way of price. Do this by creating a gross sales web page for the new e book, but do not include a price on that page. As an alternative, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Make certain your sales copy is precisely the identical on every web page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum price is.
