## Marketing Methods

The important thing that unlocks the sales potential of your ebook is to find a single sentence that becomes your promoting handle. In addition to promoting your books assiduously online, there are several other strategies that can allow you to sell more books.

One is to provide one thing away without spending a dime along with your ebook, similar to a priceless bonus item. Or bundle a number of ebooks underneath one value, which lowers the price for each e book if they were offered separately.

An effective method for figuring out a worth is to ship out a survey to your current customers. If these prospects have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales web page for the new ebook, but do not include a worth on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Ensure your sales copy is precisely the identical on every page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum value is.
