Another strategy is to test out costs by creating a number of duplicate sales pages with completely different prices on each page. Be certain that your gross sales copy is precisely the similar on every web page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum value is.

Finally, should you've written a ebook that solves a problem or presents a brand new method, your e-book will bring in each traffic and profits.
