An efficient technique for figuring out a worth is to send out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the new e-book, however don't embrace a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with completely different costs on each page. Ensure that your sales copy is precisely the identical on every web

page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum value is.

Ultimately, if you happen to've written a e-book that solves a drawback or presents a brand new method, your guide will herald each visitors and profits. So make sure to write that promoting-handle sentence that sums up what downside your ebook solves and what the advantages of your 2011 guide can be to the customers who buy it.
