The key that unlocks the sales potential of your e book is to find a single sentence that turns into your promoting handle. This sentence states what query or problem your ebook solutions and the benefits your e book can provide. Then be sure you use that sentence in each piece of gross sales

and promotional materials, and every time anybody asks you about your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with completely different costs on each page. Be certain that your sales copy is exactly the similar on each page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum value is.

Ultimately, should you've written a e-book that solves a problem or presents a new technique, your e book will bring in each site visitors and profits.
