Advertising and marketing Strategies

The important thing that unlocks the sales potential of your ebook is to find a single sentence that turns into your selling handle. This sentence states what question or problem your guide answers and the benefits your book can provide. Then you'll want to use that sentence in every piece of sales and promotional material, and every time anybody asks you about your ebook.

Apart from promoting your books assiduously on-line, there are several different strategies that may make it easier to sell more books.

One is to present one thing away at no cost with your book, equivalent to a valuable bonus item. Or bundle several ebooks below one value, which lowers the value for every e book if they were bought separately.

An effective technique for determining a value is to ship out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for their opinion by way of price. Do that by making a gross sales web page for the new e-book, but do not embrace a price on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with different costs on each page. Ensure your gross sales copy is exactly the same on each web page, and contains

your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum price is.

Ultimately, if you've written a ebook that solves a drawback or presents a brand new technique, your ebook will bring in both site visitors and profits. So make sure you write that selling-handle sentence that sums up what drawback your e book solves and what the benefits of your 2029 ebook might be to the purchasers who buy it. And then watch your market come to you!
