## Advertising and marketing Strategies

An effective technique for determining a value is to send out a survey to your current customers. If these customers have already purchased an book from you, ask for their opinion in terms of price. Do that by making a gross sales web page for the new book, but don't include a value on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with totally different costs on every page. Make sure that your gross sales copy is exactly the identical on each web page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum worth is.
