Begin on the highest value the market will bear to usher in the largest profits, and plan to low cost the guide a number of times throughout the year.

Advertising and marketing Strategies

The important thing that unlocks the sales potential of your book is to discover a single sentence that turns into your selling handle. This sentence states what question or problem your guide solutions and the advantages your book can provide. Then make sure to use that sentence in each

piece of sales and promotional material, and each time anyone asks you about your ebook.

One is to give something away without spending a dime along with your ebook, resembling a worthwhile bonus item. Or bundle a number of ebooks underneath one price, which lowers the price for every ebook if they were offered separately.

An efficient approach for determining a worth is to ship out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion by way of price. Do that by making a sales page for the brand new guide, but don't embrace a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with completely different costs on each page. Make sure your sales copy is exactly the similar on each web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum price is.

Finally, for those who've written a e-book that solves a problem or presents a new method, your ebook will usher in each traffic and profits.
