price. Do that by creating a gross sales web page for the brand new e-book, however do not embrace a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Be sure your sales copy is precisely the identical on every web page, and includes your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum worth is.
