Do this by creating a gross sales page for the brand new e-book, but do not embrace a price on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by creating a variety of duplicate sales pages with completely different costs on every page. Ensure that your sales copy is exactly the identical on

each page, and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum price is.

Finally, should you've written a ebook that solves a problem or presents a brand new approach, your e-book will bring in each traffic and profits.
