As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with completely different prices on every page. Be certain that your gross sales copy is precisely the

same on each page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum value is.

Ultimately, in the event you've written a book that solves a downside or presents a brand new method, your e book will usher in both traffic and profits.
