Do this by making a gross sales web page for the new e-book, but don't embody a value on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by creating a number of duplicate sales pages with different costs on every page. Be sure that your gross sales copy is precisely the same on each web

page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum value is.
