price. Do that by creating a gross sales web page for the new e-book, but do not include a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Be certain your gross sales copy is strictly the similar on each web page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum value is.
