An effective method for figuring out a worth is to ship out a survey to your present customers. If these prospects have already bought an ebook from you, ask for their opinion when it comes to price.

Do this by making a sales page for the brand new e book, but do not include a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Be certain that your gross sales copy is strictly the identical on each page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum price is.

Finally, when you've written a ebook that solves a downside or presents a new method, your e-book will usher in both visitors and profits. So make sure you write that promoting-deal with sentence that sums up what drawback your e book solves and what the advantages of your 313 guide can be to the customers who buy it.
