Do that by creating a gross sales page for the new ebook, but don't embody a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with completely different costs on each page. Make certain your sales copy is exactly the identical on each page, and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum value is.
