that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Make sure that your sales copy is exactly the same on each web page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum price is.

Ultimately, if you happen to've written a book that solves a downside or presents a new method, your e-book will herald both traffic and profits.
