As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by making a number of duplicate gross sales pages with totally different prices on each page. Be sure that your gross sales copy is strictly the same on

each web page, and includes your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum value is.

Ultimately, if you happen to've written a guide that solves a downside or presents a new technique, your e-book will usher in both site visitors and profits.
