Do that by making a gross sales page for the brand new e-book, however do not include a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Ensure that your sales copy is strictly the same on each

web page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. This can let you know what your optimum worth is.

Finally, if you happen to've written a ebook that solves a downside or presents a new method, your e-book will bring in each visitors and profits. So you'll want to write that selling-deal with sentence that sums up what drawback your guide solves and what the benefits of your 676 ebook might be to the shoppers who purchase it.
