An efficient approach for determining a worth is to ship out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by creating a sales web page for the new book, however do not embrace a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out prices by making a variety of duplicate sales pages with different costs on each page. Make certain your gross sales copy is strictly the same on every page, and

includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum value is.

Ultimately, in case you've written a e-book that solves a downside or presents a new technique, your guide will usher in both site visitors and profits. So make sure to write that selling-handle sentence that sums up what drawback your guide solves and what the advantages of your 677 guide can be to the shoppers who purchase it.
