One other strategy is to check out costs by making a variety of duplicate sales pages with different costs on each page. Make sure your gross sales copy is exactly the similar on each page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum price is.

Ultimately, in case you've written a guide that solves a problem or presents a brand new approach, your e book will herald both traffic and profits.
