An effective method for determining a value is to ship out a survey to your current customers. If these customers have already bought a book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the new ebook, however do not include a value on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by making a variety of duplicate sales pages with different prices on each page. Be certain that your gross sales copy is precisely the identical on each web page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum price is.

Ultimately, in the event you've written a e book that solves a drawback or presents a brand new method, your book will usher in both site visitors and profits. So remember to write that promoting-deal with sentence that sums up what downside your ebook solves and what the benefits of your 697 guide shall be to the shoppers who buy it.
