Do this by creating a gross sales page for the brand new guide, however don't embody a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be sure your sales copy is exactly the similar on every

page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum value is.

In the end, should you've written a e-book that solves a problem or presents a brand new technique, your guide will herald both visitors and profits.
