An effective technique for determining a value is to send out a survey to your current customers. If these customers have already bought an book from you, ask for his or her opinion by way of price. Do that by making a gross sales web page for the new ebook, however don't embody a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with completely different costs on every page. Ensure your gross sales copy is strictly the similar on each page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum value is.

Finally, should you've written a ebook that solves a downside or presents a brand new approach, your book will herald each traffic and profits.
