Do this by making a gross sales web page for the brand new ebook, but do not embody a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be certain that your gross sales copy is exactly the

identical on every page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum worth is.
