Marketing Strategies

An efficient technique for figuring out a value is to ship out a survey to your present customers. If these customers have already purchased an e book from you, ask for his or her opinion by way of price. Do that by creating a gross sales page for the brand new e book, but do not embrace a value on that page. One other technique is to check out prices by creating a number of duplicate gross sales pages with different prices on each page. Ensure your sales copy is precisely the same on each web page, and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum worth is.

In the end, if you've written a e-book that solves a drawback or presents a brand new technique, your book will herald each site visitors and profits.
