Begin on the highest price the market will bear to bring in the largest profits, and plan to discount the e-book a variety of instances throughout the year.

Advertising Methods

The important thing that unlocks the sales potential of your e-book is to find a single sentence that turns into your selling handle. This sentence states what query or drawback your e-book answers and the benefits your e book can provide. Then you should definitely use that sentence in every

piece of gross sales and promotional material, and each time anyone asks you about your ebook.

An efficient approach for determining a worth is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the new book, but don't embody a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Be certain that your gross sales copy is exactly the same on each page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum value is.
